

Worship leaders on Children's Sunday at Eastleigh congregation, Nairobi.

Children's Sunday in KELC Congregations

Each year KELC congregations celebrate Children's Sunday on the last Sunday in September. Children are a vibrant part of our congregations and this special Sunday service gives all of our members an opportunity to celebrate the wonderful contributions of children to our church.

The worship service on Children's Sunday is filled with children-led activities, including singing and dancing, reciting Bible memory verses, acting skits, and performing poetry. Together with their Sunday School teachers, children are able to show the congregation what they have learned in Sunday School throughout the last year.

The congregation also takes time to appreciate the service of our Sunday School teachers on Children's Sunday. We have many dedicated teachers who are helping to educate our children about the Bible and our faith. During this worship, we are able to recognize their good works and thank them for their committed service to the church.

We thank God for all of the wonderful children throughout the KELC congregations and for the many dedicated Sunday School teachers who are guiding their faith development.

Please join us in prayer:

- in celebration of 500 years of Lutheran Reformation and the celebration of KELC's 25th anniversary, both of which are commemorated this year, 2017.
- for the Kenyan primary and secondary school students who will be sitting for their certificate exams starting at the end of October. May they feel God's comfort, support, and guidance as they prepare for the exam, undertake the test, and await their results.
- for a peaceful and just way forward from the Kenyan presidential election.
- that we may all be good stewards of God's creation. We pray especially for those suffering from natural disasters and degradation of our environment.
- for KELC leadership as we prepare for our General Assembly to be held Nov. 30- Dec 1. We ask for God's wisdom and guidance as we evaluate and plan for the future of our church.

The children in Hola Mission received a new cup after worship on Children's Sunday.
